LIFE AND HEALTH TO THE BODY.

Observe that each agent has an engraved certificate of agency, containing a representation of Doctor Brandreth's manufactory at Sing Sing, and on which will also be seen exact copies of the NEW LABELS NOW USED UPON THE BRANDRETH PILL BOXES, and which is believed will prove the

THIS Company has been in operation a considerable time, and has insured property to a very large amount. It has funds on hand, and property pledged, sufficient to indemnify those who insure against any loss which will probably take place. Individuals in this county, who choose to insure their property at a trifling expense, can apply to the Secretary in the Village of Litchfield, or to the agents in the several towns.

Dr. Goodman's Pills.

ALL persons who have given this medicine a trial speak of it in terms of the highest praise. As a purifier of the blood and fluids, it doubtless has no rival. Perfectly harmless in itself, it merely assists nature to do nature's work. It accomplishes all it professes, viz: the removal of disease from the body, from whatever cause arising. It is of the utmost importance that all persons who are suffering from Colds, Bilious Complaints, Typhus and Scarlet Fever, Fever and Ague, Dyspepsia, and all diseases arising from indigestion, should be provided with a few boxes of this Health Restoring Medicine, since it precludes the necessity, and saves the expense of other medical interference, and is natural and easy in its operation, and invariably beneficial in its results. It is purely a vegetable compound, yet all powerful in removing disease. It is justly designated **MAN'S ALL-SUFFICIENT MEDICINE**, inasmuch as it cleanses the stomach and bowels from all foul and corrupting humors, and leave the body in the possession of soundness, renovation & health. Price 25 cents per box, with full directions. **DR. GOODMAN'S PRINCIPAL OFFICE, 276 BOWERY, N. Y.** Remember! The only Agent in Litchfield, for the sale of this medicine is **MR. A. WADSWORTH.** 1y6

57 TONS

SHERMAN'S LOZENGES SOLD LAST YEAR, CURED millions of cases of disease, and often when all other means failed to give relief. They are never sold by the ounce, but in boxes, with a facsimile of his name around each box. See that you get the genuine.

COUGH LOZENGES

For coughs, colds, asthma, whooping cough, cough attending measles, consumption, tightness of the chest, and all diseases of the lungs, are truly an unrivaled medicine. They cured the Rev. Darius Anthony, of the Oneida Conference, of consumption, when his physicians gave him up, and his Father in the Gospel told him to prepare for death, that at most he could survive but a few weeks. They also cured the Rev. Sebastian Streeter of Boston, the Rev. Dr. Eastmond of N. Y. The Rev. Mr. Dunbar of the Baptist church, in Montgomery st., was cured of a very harassing cough in twenty-four hours, as were also Mr. E. G. Saevy, 65 Wooster st.; Rev. Mr. Handcock, 497 P't; Mr. Henry S. Barker, 97 Green st.; and more than 3,000 others of the first respectability, whose names might be added.

WORM LOZENGES

Provided in more than 1,400,000 cases to be the only infallible worm destroying medicine ever discovered, and so considered by the medical faculty.

Symptoms of Worms—Bad breath, pain in the limbs or joint, picking at the nose, grinding of the teeth during sleep, paleness about the lips with flushed cheeks, bleeding at the nose, gnawing at the stomach, flashes of heat, slight chills or shiverings, headache, drowsiness, disturbed dreams, sudden starting in sleep, hacking cough, feverishness, thirst, fits, bad taste in the mouth, pain in the stomach or bowels, fatigue, voracious appetite, sickness of the stomach, leanness, bloated stomach, griping, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the arms towards night, &c. &c.

Of six cases cured by these Lozenges is truly astonishing.

Dr. Hunter, 108 Essex av., has used them for three years in his practice and cured several cases of fits; he never knew them to fail of destroying the worms. **Dr. Zabiskie, 18 Duane st.,** has used them in over 700 cases, some of the most alarming character. He has cured some that were supposed to be on the brink of the grave from acholic colic, one poor boy was unable to help himself and had to be fed like an infant; the doctors could do nothing for him—three boxes of Sherman's Worm Lozenges entirely cured him. **Mr. J. R. Wood 37 Third st.;** **Benj F. Goodspeed 120 Sixth st.;** **Mr. Loring M. Gross 86 Fulton st.;** **the Hon. Edward J. Porter, Hon. B. B. Boardley, Henry B. King, Esq.;** **Dr. A. C. Castle, 104 Sixth av.;** **James B. Hunt, corner Courtland and Greenwich sts;** and hundreds upon hundreds of others who have given their certificates might be added.

SHERMAN'S CAMPHOR LOZENGES.

Which cure a headache, palpitation or sickness in ten minutes, are the greatest medicines of the day.—They also give immediate relief in dizziness, lowness of spirits, despondency, fatigue or oppression, drowsiness and all nervous diseases. After a night's dissipation they impart vigor and cheerfulness to the system and mind. Persons travelling, or attending lawless parties, or going to great, or long bodily or mental exertion will find an occasional use of them will enable them to perform their task with great comparative ease and comfort. George Washington Dixon was enabled to walk seventy-two hours without rest by using these Lozenges. He says there is nothing like them to keep up a man's strength or spirits or to cure headache or palpitation.

Capt. Chadwick of the Wellington, has fully tested them.

J. W. Cochran, Esq., the inventor of the many-chambered cannon, gave them a trial during his passage to Havre. They cured every one on board.

Many persons have been cured of sickness in our railroad cars and stages.

Mr. Ackerman, the celebrated sign painter in Fulton st., always cures his headache with them.

Hon. Aaron Clark, ex-mayor, says Sherman's Camphor Lozenges are among the best things in the world.

Daniel M. Frye, Esq. of the upper police, has used them for four years with the greatest success.

Dr. Elliott, the distinguished oculist uses Sherman's Lozenges daily in
